

Chase Bank

Fast-track interior tenant improvements of Chase Bank, Lombard Street, San Francisco.

2750 Van Ness Avenue
San Francisco, CA

Fast-track interior tenant improvements of Chase Bank, Lombard Street, San Francisco. Fast-track included around the clock service in close collaboration with the architects, city inspectors, construction and branch managers. From plumbing, HVAC, electrical improvements and extensive millwork packages, to standard Chase facade rebranding, each branch required a dedicated, communication-driven team to ensure that the open branch remodels would be completed successfully.
