AFFILIATED NONPROFITS

As founder and CEO of the business incubator TEAMWRKX, Inc., Eric has been an essential force in leading all TEAMWRKX ventures to profitability or 501c3 non-profit success. These enterprises now maintain a collective bond rating of \$35,000,000 and enjoy a perfect score of 80 from Dunn & Bradstreet. Midway through its second decade, TEAMWRKX has incubated and/or continues to serve dozens of businesses in multiple countries in the core industries of: Construction and Facilities Management, Non-profit and Social Justice and Wellspan Programs, Organic Farming, Import and Export Enterprises, Real Estate Development and Land Entitlement, Non-profit Children's Wellness and Shelter Causes, Mechanical Controls and Energy Management Systems, Private and Public Education and Cultural Centers, and Routine Business Consulting and Contract Support Services.

The construction and facilities management businesses have been recognized in the Top-50 Business Journal rankings, in every year of their combined 25 years of existence. Eric is also committed to growing businesses and developing projects that add distinct value to communities in many countries. A staunch supporter of education and an advocate for the well-being of children, Eric serves a Board Member of Generations for Humanity, Rossinca Heritage School, Hoops 2 Dreams, Schmahl Science Workshop, and others. Eric is involved in numerous charity and community projects, achievements including Rossinca Learning Center having completed its 10-year plan with three locations and 200 families served and/or enrolled in pre-K-3rd-grade programming. His latest ventures are Hoops 2 Dreams, Generations for Humanity – Panama, and the expansion of business and philanthropic operations into the Republic of Panama where the Rainbow Star is again reinforcing TEAMWRKX core values.
