

Rossinca Heritage School

Extensive tenant improvement to renovate an existing office space into a multi-use cultural center.

2095 Park Avenue
San Jose, CA

Extensive tenant improvement to renovate an existing office space into a multi-use cultural center. Project scope included the integration of new classrooms, a theater stage, dance studio, IT room, outdoor play zones adorned with fresh gardens, pathways, and a parking facility. Each room boasts enhanced appliances, state-of-the-art AV/IT technology, MEP systems, refined finishes, optimized classroom layouts, and security measures, ensuring a comfortable environment for both students and staff.
