

Sunnyvale Volkswagen

Interior and exterior tenant improvement of the existing dealership. Project phased and occupied.

1025 E. El Camino Real
Sunnyvale, CA

Comprehensive interior and exterior tenant improvement of the existing Sunnyvale Volkswagen dealership. Project scope included the demolition and renovation of the first and second floor of the dealership’s showroom, offices, restrooms, data rooms and parking lot upgrades. The service area remained functional and open during construction. *Project phased and occupied.*
