DIVISIONS / AFFILIATES

AFFILIATED NONPROFITS

Ty operates as an Assistant Project Manager and as our Document Control Manager (DCM). As Assistant Project Manager, Ty works closely with the Project and Field Management team assisting in project planning, bidding, budget management completion and closeout. As DCM, he oversees our company software and ensures that all clients, subcontractors and teammates have the tools they need to succeed on a project. Ty's excellent work ethic and positive attitude make him a highly valuable teammate.
